

Plumas County Dixie Fire Resource Sheet

Updated 08/25/21

Dixie Fire resources are emerging and changing continually. This is not a complete list of all resources. These services may not be available in the future and supplies may run out. Please call providers when possible before traveling to access services.

Butte 211 is collaborating with local Plumas agencies to create a centralized resource site. For now, there are multiple resource lists in development by various relief and recovery agencies which are listed as links at the end of this document
